

Walking to town

Directions from Broadings Farm Caravan Site –

1. Go out main entrance turn right, walk along road on grass verge then onto pavement, pass Spar garage (on your left).
2. When you reach roundabout, turn left walk 100 yards (roughly) straight along road, on right hand side (in dip) is stone wall.
3. There's a gap at the end of the wall, with steps down to a public footpath...follow straight, go under Cinder Track Bridge
4. Back onto pavement, over the roundabout keep straight along Bagdale, passing Pannett Park on left and into town.

This route takes roughly 20 – 30 minutes depending on pace and ability, there are footpaths along the whole course. Suitable in trainers / comfy shoes – can get muddy in sections when wet weather.
